THE ACCESS TO HIGHER EDUCATION DIPLOMA

Access your degree or higher-level qualification with us and find your way to a prosperous career. **The Access to Higher Education (HE) Diploma** is designed for people who do not have 'traditional' qualifications, such as A Levels, and for those who have been out of education for some time. If you want to go to university, but feel you might lack the entry qualifications, or are worried that you might not be able to cope with the demands of degree-level study, then an Access course can help.

The Access to HE Diploma is widely recognised by UK universities, and many actively encourage applications from Access to HE students. Over 80% of our students progressed successfully onto higher education.

Our current Access Programmes are:

- Art and Design
- Education Professions
- Health Science Professions
- Humanities and Social Sciences
- Science

For more details on Access courses see our full brochure online at www.yorkcollege.ac.uk.

HOW TO APPLY

If you are considering enrolling on to one of our adult education evening and day classes, please do not leave it until the last moment to apply. Sadly, we are sometimes forced to cancel a course due to lack of numbers and can only run if minimum student numbers are achieved, so early enrolment is greatly appreciated.

The quickest and easiest way to apply is online on our website at www.yorkcollege.ac.uk or you can enrol with one of our friendly advisers by calling 01904 770397. Some of our adult courses require the completion of an application form and possibly even an interview.

If you are applying for funding and reduced fees you must apply in person and have the required documentation as outlined in the course description online.

STUDENT SUPPORT

We know that studying for any qualification can be a busy time and there are a lot of things to think about. That's why we offer dedicated support to make sure you can settle into College life easily, concentrate on your course and achieve the best grades possible.

Our Student Services Team is available via the HelpZone in Lounge on 1 and the InfoZone, which is situated behind Reception. They offer impartial information, advice and guidance on a full range of services including: course information and enrolment; travel and transport; health, welfare and funding; careers and counselling.

HELPZONE CONTACT DETAILS

For further information or guidance on student support and funding, please email helpzone@yorkcollege.ac.uk or call 01904 770455.

ADDITIONAL SUPPORT

If you have a disability, mental health condition or specific learning difficulties, or if you are a student who has children or other dependants, you may be eligible for additional support.
